Dear Sir:

We acknowledge receipt of the above policies, claim papers and your letter of October 9.

It is necessary, however, we return the Death Certificate as thereon the deceased's name is "Jennie" Estella Kersten, while the given name on the policies is "Janet".

We are sure the Home Office would not accept this discrepancy. Kindly have the Death Certificate corrected to indicate the deceased's given name to be "Janet", the same as on the policies.

As soon as the form is returned we shall make prompt settlement.

Your further cooperation in the matter will be appreciated.

Very truly yours,

Dear Madam:

We are returning the death record of Jennie Estella Kersten who died in your city September 9.

The certificate states that the doctor saw her the last time on September 5, but there was an emergency operation on September 8. Did this same doctor perform the operation? If so, the date when he last saw her would not be correct.

It also states that the date of injury was September 8, but that he attended her from September 2.

Will you kindly call the doctor's attention to these dates and if there is an error, kindly have him make the correction.

Please return at your earliest convenience as we are waiting to issue a certified copy. Thanking you, we are

Dear Sirs:

I attended a man, Mr. W. T. Case, of Payette, on November 7, 1936. In filling out the death certificate I made an error due to an accident victim I cared for by a name that was similar at the same time. Both patients died.

A man from the Bureau of Investigation of the United States Government presented himself at my office some time later and the matter was straightened up, with information that he would attend to the recording in the Boise office. It has now been brought to my attention that this was never done and a request made that I correct the error. This will certify that I attended Mr. W. T. Case at his abode on November 7, 1936, and that he died at his home that evening, the case of death being bronchopneumonia with acute heart failure.

Very truly yours,

E D Parkinson
